# # WHYSH OULD MY CHILD PARTICI PATE ?

## REASON -1

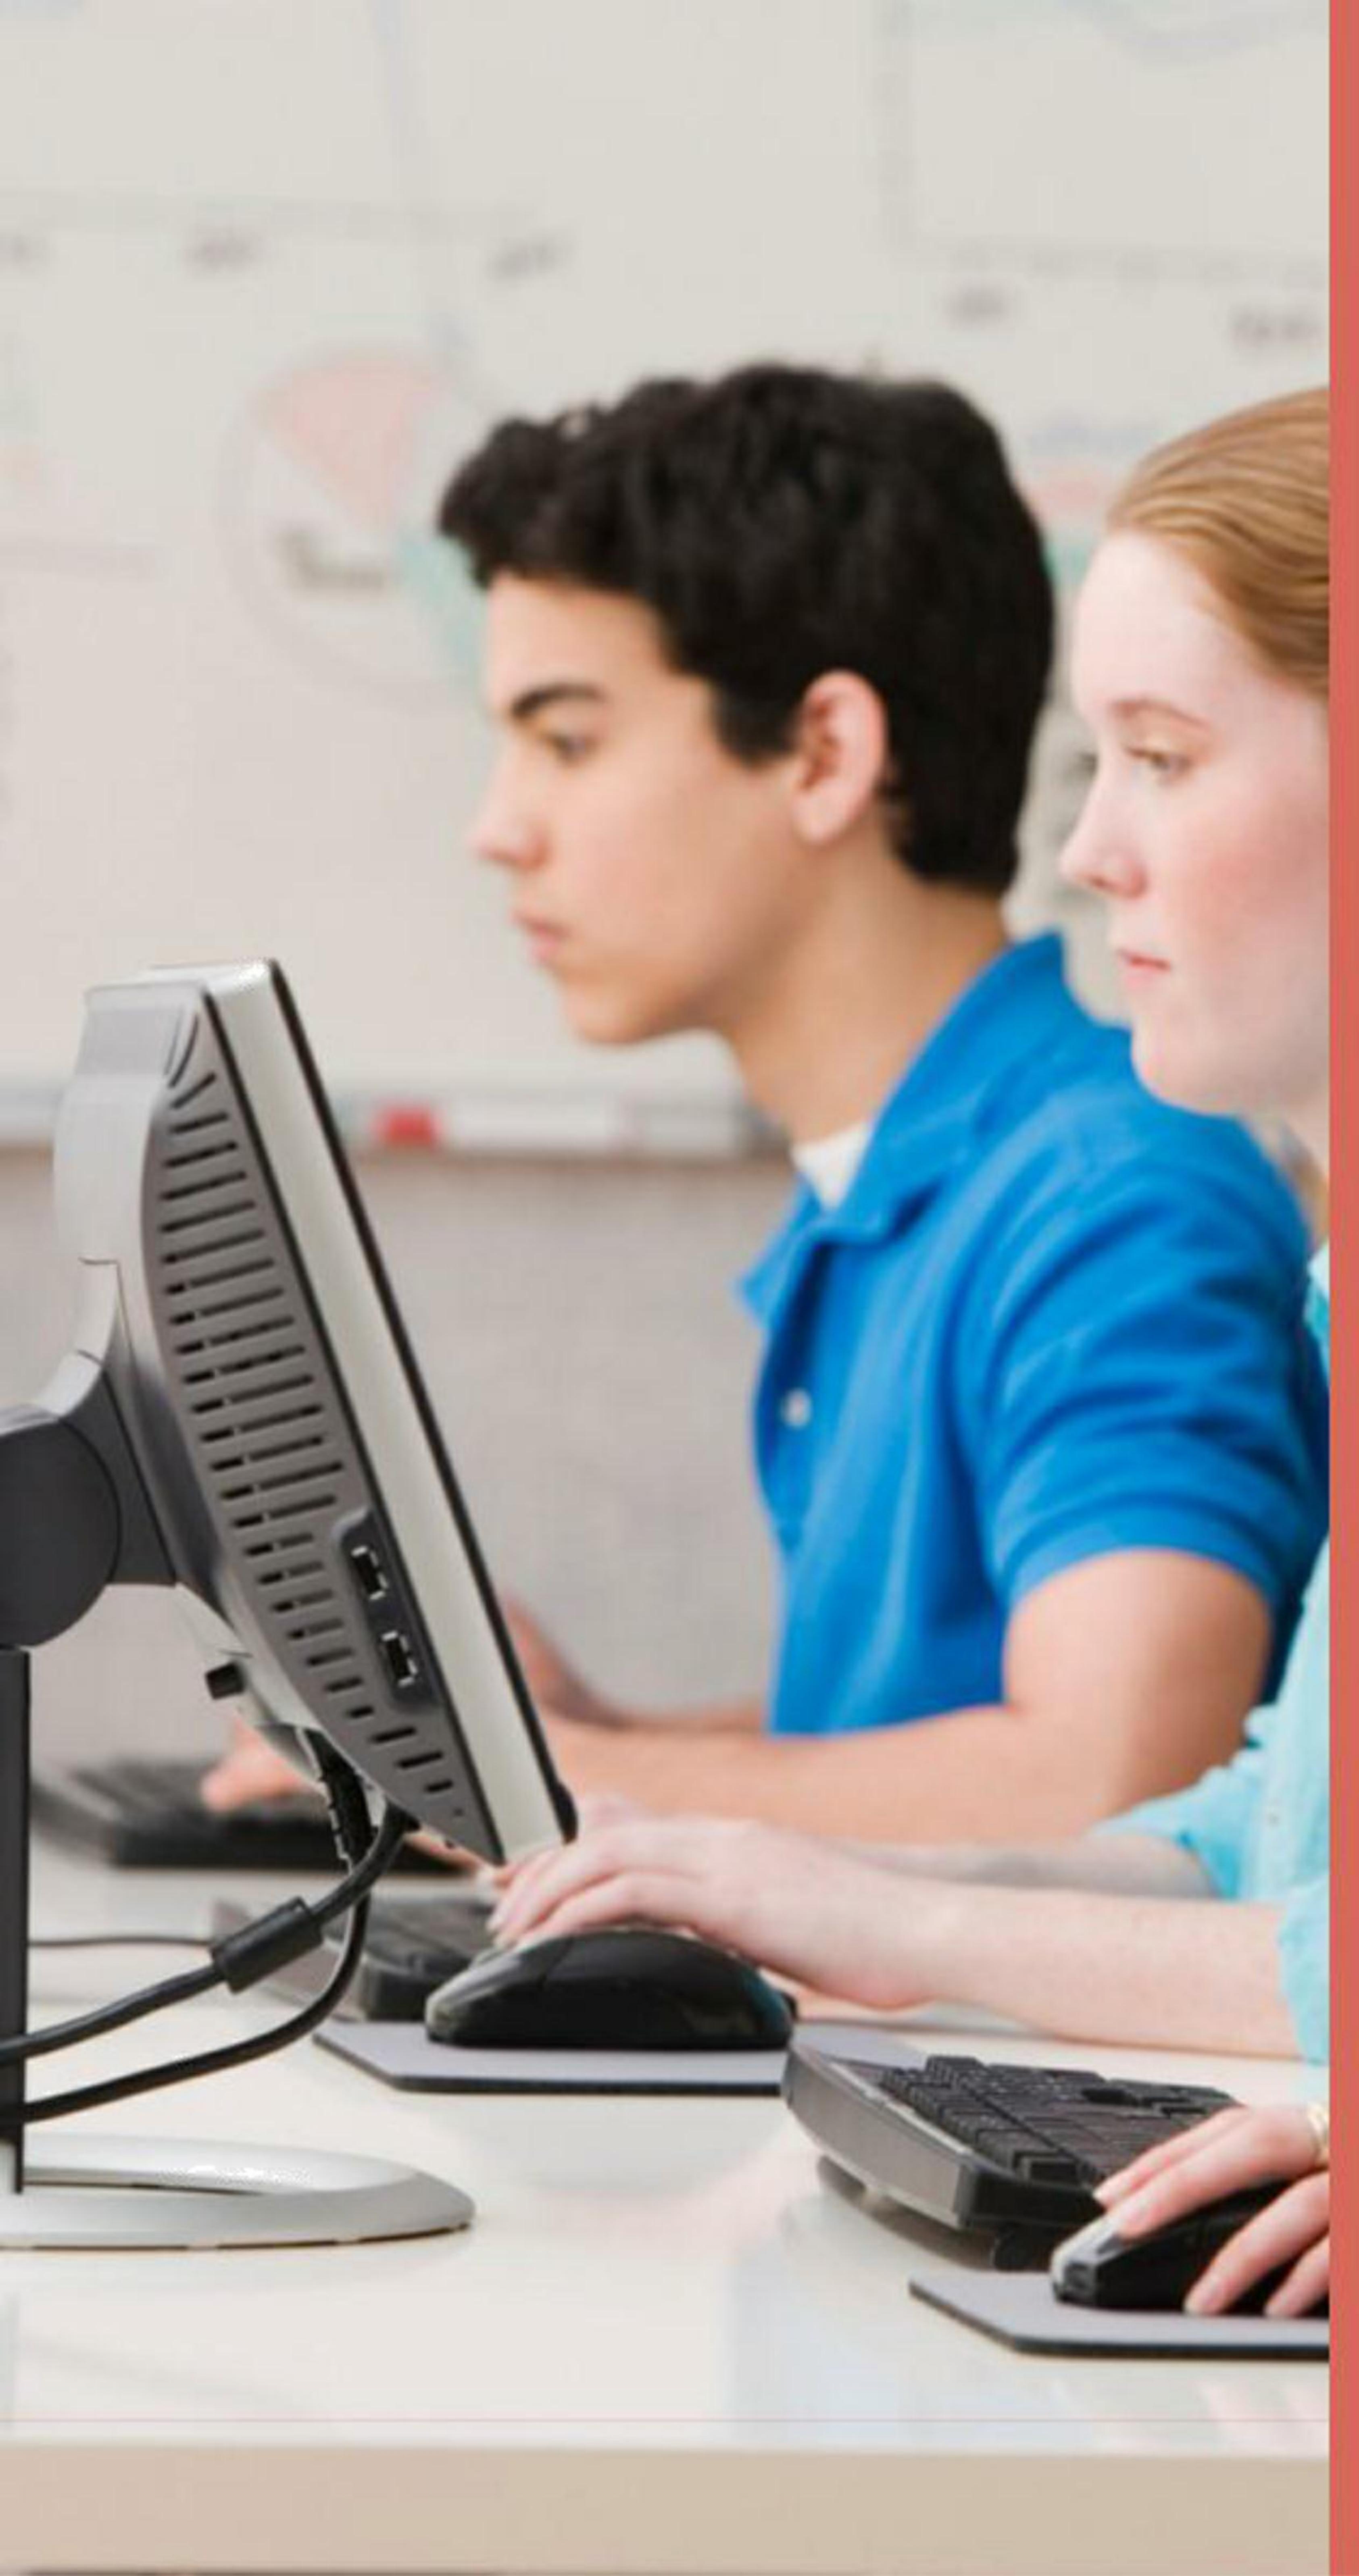

The critical life skills are very much required for 21st-century kids and nowhere in the school, their life skills are assessed.

## REASON -2

Students can judge their skills at different levels - at city level, at state level and above all at International level.

## REASON -3

It's a comprehensive test which measures students in multiple aspects which will be useful in later part of their life and career.

A photograph showing two students, a boy and a girl, sitting at desks in a classroom setting. They are both looking at computer monitors and typing on keyboards. The boy is on the left, wearing a grey t-shirt, and the girl is on the right, wearing a blue t-shirt. The background is slightly blurred.
